Paradise Tonight

Charly McClain

Honestly, I can't believe the magic you do
Never seen anything as lovely as you
I was so afraid, I was so alone an' blue
I took you in my arms, now I'm goin' home with youI'm gonna wake up in your arms tomorrow
You gonna make it the night of my life
I'm gonna wake up in your arms tomorrow
Thank you for takin' me to paradise tonightI was so afraid, I was so alone an' blue
An' I took you in my arms, now I'm goin' home with youI'm gonna wake up in your arms tomorrow
You gonna make it the night of my life
I'm gonna wake up in your arms tomorrow
Thank you for takin' me to paradise tonightOoh, so this is paradise
Ooh, so this is paradise
Paradise all nightI'm gonna wake up in your arms tomorrow
You gonna make it the night of my life
I'm gonna wake up in your arms tomorrow
Thank you for takin' me to paradise tonightOoh, so this is paradise
Ooh, so this is paradise
Paradise all nightI'm gonna wake up in your arms tomorrow
You gonna make it the night of my life
I'm gonna wake up in your arms tomorrow
Thank you for takin' me to paradise tonight
