

# Just a Friend to You

**Meghan Trainor**

Oh, oh, oh  
Oh-oh-oh-oh Why you gotta hug me  
Like that every time you see me?  
Why you always making me laugh  
Swear you're catching feelings I loved you from the start  
So it breaks my heart When you say I'm just a friend to you  
'Cause friends don't do the things we do  
Everybody knows you love me too  
Tryna be careful with the words I use  
I say it 'cause I'm dying to  
I'm so much more than just a friend to you Mmm, mmm, mmm  
When there's other people around  
You never wanna kiss me  
You tell me it's too late to hang out  
Then you say you miss me And I loved you from the start  
So it breaks my heart When you say I'm just a friend to you  
'Cause friends don't do the things we do  
Everybody knows you love me too  
Tryna be careful with the words I use  
I say it cause I'm dying to  
I'm so much more than just a friend to you You-oh-oh-oh-oh  
You-oh-oh-oh-oh  
You-oh-oh-oh-oh  
You-oh-oh-oh-oh You say I'm just a friend to you  
Friends don't do the things we do  
Everybody knows you love me too  
I tried to be careful with the words I use  
I say it 'cause I'm dying to  
I'm so much more than just a friend to you A friend to you  
A friend to you  
A friend to you
