Watch You Lose

The Veer Union

I will watch you...
I will watch you loseThe last of you is left in me
In my review a memory
I can't rebuild the remedy
I'm so consumed that I can't breathe
(I can't breathe)
I can't see (I can't see)
And so I'm coming back to...Watch you lose
Cause I'm fighting broke and bruised
And I'm dying from the truth
Untie me from the noose
Untie the noose
I will watch you
I will watch you lose
You left me here hung out to dry
Inside my fear I'm paralyzed
The things you do are killing me
I'm so consumed that I can't breathe
(I can't breathe)
I can't see (I can't see)
And so I'm coming back to...Watch you lose
Cause I'm fighting broke and bruised
And I'm dying from the truth
Untie me from the noose
Untie the noose
I will watch you
I will watch you loseYou will be the one to lose
You will be the one to lose
I'll cut myself out of the noose
Watch you lose
Cause I'm fighting broke and bruised
And I'm dying from the truth
Untie me from the noose
Untie the noose
I will watch you
I will watch you loseI will watch you (You will be the one to lose)
I will watch you lose
I will watch you (You will be the one to lose)
I will watch you lose

Watch you lose.
