

Cougar Huntin' (feat. Big & Rich)

[Jimmy Fallon](#)

[Featuring: Big & Rich]I'm goin' huntin', I'm loadin' up my gun.

I'm goin' huntin', yeah. Well I'ma gonna get me some

I'm goin' huntin', got my whiskey and my beer

There's cougars a'loose in the bar and I'm goin' huntin' hereWell you know you're lookin' good now, but your
momma's lookin' finer

I know you turned 22, but I prefer a 69er

Well, up and down the bar she goes a'prowlin' for all to see

She may not be the freshest, but the muffin' ain't stale to meI'm goin' huntin', I'm loadin' up my gun.

I'm goin' huntin', yeah. Well I'ma gonna get me some

I'm goin' huntin', got my whiskey and my beer

There's cougars a'loose in the bar and I'm goin' huntin' hereWell, I am just a young buck, but I got you in my
sight

I'm gonna bag you and stuff you when we get home tonight

Not gonna lead you on 'cause that's not my trip

But I think there's more cougars here than a Mercury dealershipI'm goin' huntin', I'm loadin' up my gun.

I'm goin' huntin', yeah. Well I'ma gonna get me some

I'm goin' huntin', got my whiskey and my beer

There's cougars a'loose in the bar and I'm goin' huntin' here

There's cougars a'loose in the bar and I'm goin' huntin' here

There's cougars a'loose in the bar... and I'm goin' huntin'...here.
