

# Cast a Shadow

## Beat Happening

The sandman is bringing me a special gift  
A sleepy dream memory of our first kiss  
Cast a shadow in my direction  
Cast a shadow in my direction  
Cast a shadow in my direction  
Cast a shadow in my direction  
The sandman comes tonight I have a request  
A snapshot dreamy keepsake of your embrace  
Cast a shadow in my direction  
Cast a shadow in my direction  
Cast a shadow in my direction  
Cast a shadow over here  
We'll make shadow plays we'll dig shadow graves in my shady shadow cave  
The shadow grows longer in my twilight sleep  
I wallow and remember your lock me teeth  
Cast a shadow in my direction  
Cast a shadow in my direction  
Cast a shadow in my direction  
Bring back shadows of your affection  
Cast a shadow in my direction  
Bring back shadows of your protection  
Cast a shadow in my direction
