

Everybody Wants to Rule the World

Lorde

Welcome to your life
There's no turning back
Even while we sleep
We will find you Acting on your best behaviour
Turn your back on mother nature
Everybody wants to rule the world It's my own design
It's my own remorse
Help me to decide
Help me make the most Of freedom and of pleasure
Nothing ever lasts forever
Everybody wants to rule the world There's a room where the light won't find you
Holding hands while the walls come tumbling down
When they do I'll be right behind you So glad we've almost made it
So sad they had to fade it
Everybody wants to rule the world
Everybody wants to rule the world
Everybody wants to rule the world
