

Metal Guru

Rooney

Metal Guru, is it you?
Metal Guru, is it you?
Sitting there in your armour plated chair, oh yeahMetal Guru, is it true?
Metal Guru, is it true?
All alone without a telephone, oh yeahMetal Guru, could it be?
You're gonna bring my baby to me
She'll be wild, you know, a rock 'n' roll child
Oh yeahMetal Guru, has it been?
Just like a silver studded sabretooth dream
I'll be clinging to a pollution machine, oh yeahMetal Guru, is it you?
Metal Guru, is it you?Metal Guru, could it be?
You're gonna bring my baby to me
She'll be wild, you know, a rock 'n' roll child, oh yeahMetal Guru, is it you?
Metal Guru, is it true?
All alone without a telephone, oh yeahMetal Guru, could it be?
You're gonna bring my baby to me
She'll be wild, you know, a rock 'n' roll child, oh yeahMetal Guru, is it you?
Yeah, yeah, yeah
Metal Guru, is it you?
Yeah, yeah, yeah
Metal Guru, is it you?
Yeah, yeah, yeahMetal Guru, is it you?
Yeah, yeah, yeah
Metal Guru, is it you?
Yeah, yeah, yeah
Metal Guru, is it you?
Yeah, yeah, yeahMetal Guru, is it you?
Yeah, yeah, yeah
Metal Guru, is it you?
Yeah, yeah, yeah
Metal Guru, is it you?
Yeah, yeah, yeah
Metal Guru, is it you?
Yeah, yeah, yeah
Metal Guru, is it you?
Yeah, yeah, yeah
