

Players Anthem

UGK

[Andre 3000 with chorus in back saying "I choose you babe!"]So, I typed a text to a girl I used to see

Sayin that I chose this cutie pie with whom I wanna be

And I apologize if this message gets you down

Then I CC'd every girl that I'd see see round town and

I hate to see y'all frown but I'd rather see her smiling

Wetness all around me, true, but I'm no island

Peninsula maybe, makes no sense I know, crazy

Give up all this pussy cat thats in my lap no lookin back

Spaceships dont come equipped with rearview mirrors

They dip as quick as they can

The atmosphere is now ripped

Im so like a Pip, Im Gladis Knight

So the light from the sun would not burn me on my bum

When I shoot the moon high, jump the broom

Like a premie out the womb

My partner yellin "Too soon! Dont do it! Reconsider!

Read some litera - ture on the subject

You sure? Fuck it

You know we got your back like chiroprac - tic

If that bitch do you dirty

we'll wipe her ass out as in detergent

Now hurry hurry, go on to the altar

I know you aint a pimp but pimp remember what I taught ya

Keep your heart 3 stacks, keep your heart

Aye, keep your heart 3 stacks, keep your heart

Man, these girls is smart, 3 stacks, these girls is smart

Play your part

Play your part"[Pimp C:]

Sweet jones

My bitch a choosey lover, never fuck without a rubber

Never in the sheets, like it on top of the cover

Money on the dresser, drive a compressor

Top notch hoes get the most, not the lesser

trash like to fuck for 40 dollars in the club

fucking up the game, bitch you gets no love

She be cross country givin all that she got

A thousand a pop, Im pullin Bentleys off the lot

I smashed up the grey one, bought me a red

Every time we hit the parking lot we turn heads

Some hoes wanna choose but them bitches too scary
Your bitch chose me, you aint a pimp you a fairy[Chorus:]
Ooooooohhh Ooooooohhh
I choose you girl[Bun B:]

Baby you been rollin solo, time to get down with the team the grass greener on that other side if you know what
I mean

I'll show you shit you've never seen
The 7 wonders of the world
And I can make you the 8th if you wanna be my girl
When I say my girl I don't mean my woman, that aint my style
Need a real street stalker to walk a green mile
We piling up the paper on the dining room table
Cause you able to realize I'm the truth and not a fable
We rockin precious sable, keep that chilla on the rack
What I look like with some thousand dollar shit up on my back
Im a million dollar mack, need a billion dollar bitch
Put my pimpin in your life, watch your daddy get rich
Easy as A B C, simple as 1 2 3

Get down with UGK, Pimp C, B U N B
Cause whats a hoe with no pimp, and whats a pimp with no hoe
Dont be a lame, you know the game and how it goes

We tryin to get chose[Chorus:]
OOOooooohhh Ooooooohhh
I choose you girl[Big Boi:]

Eni mini decisions with precision I pick
Or make my selection on who I choose to be with
Girl dont touch my protection, I know you want it to slip
But slippin is something I dont do, tippin for life? (Mmm mmm!)
Thats like makin it rain

Every month on schedule (mmmHhmm!) Let me tell you
Get your parasol umbrella cause its gonna get wetter
Better prepare you for the C-support
She supposed to spend it on that baby but we see she dont
[Chopped & Screwed]

Ask ask Paul McCartney the lawyers couldnt stop the
Slaughter slaughter of them pockets, had to tie her to a rocket
Send her into outer space, I know he wish he could
Cause he payin 20K a day, that b**** is eating good
Like an infant on a double D titty just getting plump
Cause he miscalculated the next to the last pump
[Chopped & Screwed]

Dump Dump in the gut, raw from the giddy up
Better chose the right one or pick pick the kiddies up[Chorus:]
Oooooohhhhh Ooooooohhh
I chose you girlIIIIiiii

I chose you baby
