

Together (with ATC)

DJ Bobo

[Chorus 1]

We are what we are - Together

And we went so far - Together

We are what we are - Together

We all long for a land to be freeThe promised land is close to you

The rain is gone, the sky is blue

Hand in hand we can survive

We're fighting for a better lifeIt's a new generation

Without hate and frustration

Promised land, promised nation

Without pain, without control[Chorus 2]

Together forever for all the time

Together we welcome the secret sign

Together in freedom we take the chance

Together forever we will be friends[Chorus 1]Planet earth is our place

Insanity is lost in space

A world of dreams is what we share

Where honesty is in the airIt's a new generation

Without hate and frustration

Promised land, promised nation

Without pain, without control[Chorus 2][Chorus 1][Rapping]

Together forever for all the time

Together we welcome the secret sign

Together in freedom we take the chance

Together forever we will be friends[Chorus 2][Chorus 1]Together forever

We'll be together

We are long for a land to be free
