Paradise

The Temptations

[Melvin:]
Why don't you come, come back, to my paradise

[All:]
Baby to my paradise

[Eddie:]
Please, come back (come back) to my paradise,
Oh oh it would be sooo nice,
With you back in my arms again,
With you back in my arms again.
And baby, (baby) can you tell me when,
You'll be back in my arms again,
You can make me so happy, (happy)
You can make me so happy. Hey...

[Melvin:]
Each night I dream...
I cry when I go to sleep,
So sorry that we broke up,
But then I dream that you're in my arms,
With all your charms. And I,

[All:]
Don't want to wake up, don't want to wake up.

[Eddie:]
Oh no, no, no, no,
I was wrong from the very start,
I hope you'll have a change of heart,
And come back to paradise, oh, oh, back to paradise.

[Melvin:]
Each night I dream...

[Eddie:]
I dream that your in my arms, with all your charms. And I, I, I, I

[All:]

Don't want to wake up, don't want to wake up.

[Eddie:]
Oh no, no, noooo. I was wrong from the very start,
I hope you'll have a change of heart,
And come back to paradise.
Come on, back to paradise.
Please come back, to my paradise.
