Ever So Shy

General Fiasco

Letâ€™s get wasted
Itâ€™s all we ever do
Weâ€™re so stupid
Thatâ€™s okay the drunks are your friends

Weâ€™ll just sit here
Wasting our time
Thinking out loud
But thereâ€™s nobody listening

Well Iâ€™m ever so cold
Is all I get told
Iâ€™m ever so cold
Youâ€™re ever so shy
You keep it inside
Itâ€™s more than just lies
Youâ€™re ever so cool
And Iâ€™ll be your fool if you left me

Im ever so shy
Youâ€™re ever so shy
Weâ€™re ever so shy

And all we are
Counting up the reasons to be shy
She is
Cutting out the reasons to try
I know, I know weâ€™re getting there
I know, câ€™mon now letâ€™s pretend

Waiting around in the back for anything
Five minutes more and this is wearing thin
I know, I know weâ€™re getting there
I know, câ€™mon now letâ€™s pretend

Well Iâ€™m ever so cold
Is all I get told
Iâ€™m ever so cold
Youâ€™re ever so shy
You keep it inside

Itâ€™s more than just lies

Youâ€™re ever so cool
And Iâ€™ll be your fool if you left me
Iâ€™m ever so shy
Youâ€™re ever so shy
Weâ€™re ever so shy

Whilst you know the ones theyâ€™re calling for you
Whilst you know the ones theyâ€™re calling for you
While you know the ones theyâ€™re calling for you
While you know the ones theyâ€™re calling for you
Theyâ€™re calling for you

Well Iâ€™m ever so cold
Is all get told
Iâ€™m ever so cold
Youâ€™re ever so shy
You keep it inside
Itâ€™s more than just lies

Youâ€™re ever so cool
And Iâ€™ll be your fool if you left me
Iâ€™m ever so shy
Youâ€™re ever so shy
Weâ€™re ever so shy
