Someone Like You

Ronnie Hawkins

I need someone like you
To tell my troubles to
Oh Baby, someone like you
(I need someone like you)

Sweety kiss,_____
That's why I need
Someone like you
Oh Baby, someone like you
(I need someone like you)

We were only kids I know
But my love just have to grow
Now you're apart, now you've gonne
I need someone for my own

You were the sweetest girl
And this who I were
Oh Baby, someone like you
(I need someone like you)
