Dark Horse

The Ghost Inside

True dedication most just do not posses.
When push becomes shove, can you rise above the rest?
Waves of words, they fall short and crash at my feet.
Such are the ways of the weak."I'm not scared!" It's all that I know.
Done nothing but travel without knowing where to go.
I've been digging up bones.
Remnants of what made up me that I've never shown.This is my time to rise.Dark horse. I'll fight my way to the top.
You will never be the thorn in my side.
Dark horse. Dreams are my driving force.
Open your eyes. Go live your own life."I'm not scared!" It's all that I know.
Done nothing but travel without knowing where to go.
I've been digging up bones.
Remnants of what made up me that I've never shown.When the smoke clears, and the damage is done.
I'll be the only one left standing.
I see someone without a shred of hope.
At their breaking point. At the end of the rope."I'm not scared!" It's all that I know.
Done nothing but travel without knowing where to go.
I've been digging up bones.
Remnants of what made up me that I'll never show.
