The Cold

together PANGEA

Why should I fight cause this job won't do me right, I sleep
Alone on a bed of debt
I'll just go out, get too drunk I'm blacking out
wake up with a
Head of poisonHey, it's been nice but the cold can't kill me twice
It's just dirt
It's just shadeHey, it's been swell, but fuck off and go to hell
I'll just sit and
I'll just stay
In hell I could be
I could live there happily
Without a door
Without a windowSee me there if you promise not to stare
It's just me having a ball again
Hey, it's been nice but the cold can't kill me twice
It's just dirt
It's just shadeHey, it's been swell, but fuck off and go to hell
I'll just sit and
I'll just stay
