

# Tease Me Please Me

## Scorpions

I've been around the world  
I've known a lot of girls  
Livin' and lovin'  
It's hard to keep them all in line

I've seen a lot of sights  
Many crazy nights  
Cruisin' and boozin'  
It's a wonder that I'm still alive

Never wasted any time  
Never missed a beat  
Total satisfaction  
Always guaranteed

Tease me  
Please me  
No one needs to know  
Tease me

Please me  
Before I have to go

Speed the world around  
The boys are back in town  
Reelin' and rockin'  
We're rollin' with it win or lose

The girls are dressed to kill  
Lookin' for a thrill  
Slidin' and glidin'  
Sometimes they make it hard to choose

I never wasted any time  
Never missed a beat  
Total satisfaction  
Always guaranteed

Tease me  
Please me

No one needs to know

Tease me

Please me

Before I have to go

Tease me

Please me

We'll take it nice and slow

Tease me

Please me

Just let the feeling grow
