

# Drunk Tonight

## The Bloody Irish Boys

Nothing is worse than a drunk ex text  
So stop wherever you are  
I know this hurts and it's all a mess  
But stop and live with the scars

What we had is never coming back  
And what you did will never be forgotten  
You can't fix it, it's already dead  
So let it go

I just think you're drunk tonight  
Drunk tonight  
You don't really want me back  
I just think you're broke inside  
Sad and high  
You don't really want me back

Put down the phone  
It's time to go home  
I just think you're drunk tonight  
Drunk tonight  
You don't really want me back

And nothing you say can ever erase  
The way you messed with my head  
And nothing you do will ever ring true  
You deserve every single regret

What we had is never coming back  
And what you did will never be forgotten  
You can't fix it, it's all in your head  
So let it go

I just think you're drunk tonight  
Drunk tonight  
You don't really want me back  
I just think you're broke inside  
Sad and high  
You don't really want me back

So put down the phone  
It's time to go home  
I just think you're drunk tonight  
Drunk tonight  
You don't really want me back

Oh, go to bed, sleep off your sorrow  
This will all be gone tomorrow

I just think you're drunk tonight  
You don't really want me back  
I just think you're sad and high  
You don't really want me back

So put down the phone  
It's time to go home  
Just leave me alone  
Oh woah

I don't wanna have this fight  
I'm sick and tired  
I don't even want you back  
You're probably in a bar somewhere  
Faking tears  
I'm never gonna want you back

So put down the phone  
It's time to go home  
I just think you're drunk tonight  
Drunk tonight  
You don't really want me back
