My Girl & Me In '93

Lucero

Look me in the eyes and tell me on more time
You love me you need me you'll always be mine
Just another screw up
Who meant well enough
Seems I never do what I'm supposed to do
Don't ask me why cause I couldn't tell youIt was 1993
The land of opportunity
It was just my girl and me
Us against the worldIt's down to the wire anybody's game
Don't drop the ball now boy for heaven's sake
Coach put me in
I'm a lead-pipe cinch
I can tell the play by the look in their eyes
Don't ask me why, but I know that I'm rightIt was nineteen-ninety-three
The land of opportunity
It was just my girl and me
Us against the worldShe was like the stars at night
I was falling from the sky
Oh but did we have a time
Me and my girlIt was so long ago
I'm no good
At keeping in touch
I wonder if she thinks of me
I wonder if she's in loveIt was nineteen-ninety-three
The land of opportunity
It was just my girl and me
Us against the worldShe was like the stars at night
I was falling from the sky
Lucky just to be alive
Me and my girlIt was nineteen-ninety-three
Missed every opportunity
No other way that it could be
Us against the world
