

# I Like It

Sevyn Streeter

First Verse:

Oh, I think I might need a cigarette  
Cause wed be off and then were on again  
I just dont get it, don't why we do this, why we do this for?

One day well be in a Cadillac  
I'll be ridin' with my seat laid back  
Next day Ill be breaking all your windows,  
keyin' up your doors!

Pre-Chorus:  
Dont know how you do,  
To me what you do!  
But baby, ooh you  
you do it so good!  
And yeah, we break up,  
I break all yo stuff  
That's just how we love

We keep it so hood

Chorus:  
How you make me feel, can't nobody do that for me  
And we go through some things, but I cant stop loving you

And oh I like it, I like it  
Oh I like it, I like it  
Oh I like it, I like it  
Oh I like it, I like it

The way my body feel when you lay it right beside me  
Boy, Imma be right here, dont care what nobody say  
Cause oh, I like it, I like it

Oh, I like it, I like it  
Oh, I like it, I like it  
Oh, I like it, I like it

Second Verse:  
Oh, I now I be catching attitudes  
Throwin' things and gettin' mad at you  
Yeah, its crazy

But its in the name of, in the name of love!  
Sometimes you gettin on my nerves  
Say I hate you but that sh\*\* dont work  
And errtime, we say were through with it

Were back in love again!  
Pre-Chorus:  
Dont know how you do,  
To me what you do!  
But baby, ooh you

you do it so good!  
And yeah, we break up,  
I break all yo stuff  
That's just how we love  
We keep it so hood  
Chorus:  
How you make me feel, can't nobody do that for me  
And we go through some things, but I cant stop loving you  
And oh I like it, I like it  
Oh I like it, I like it  
Oh I like it, I like it  
Oh I like it, I like it  
The way my body feel when you lay it right beside me

Cause oh, I like it, I like it  
Oh, I like it, I like it  
Oh, I like it, I like it  
Oh, I like it, I like it  
Bridge:  
If you call yo man yo boo  
And you like and love him too  
Say I like it, I like it!  
If he give it to you good  
And he keep that lovin' hood  
Say I like it, I like it!  
I like it!  
I like the way you kiss me, baby!  
I like it!

How you make me feel, can't nobody do that for me  
And we go through some things, but I cant stop loving you  
And oh I like it, I like it  
Oh I like it, I like it  
Oh I like it, I like it  
Oh I like it, I like it  
The way my body feel when you lay it right beside me  
Boy, Imma be right here, dont care what nobody say  
Cause oh, I like it, I like it  
Oh, I like it, I like it
