

Sunshine (feat. Dan Harkna) [Radio Edit]

Tieks

(Intro Repeat x 4) You're sunshine
You're sunshine
You're sunshine
Shining down on me (Chorus) You're so ever so high
You fill my heart with a joy
You are everything now that I've found you
I just want you to know
There's nothing I wouldn't do
You are everything now that I've found you Oh you ohhh (x2) My precious remedy
Take all my pain away
I feel this chemistry lovin' on you
You've switched my world around
I feel this way
My feet don't touch the ground lovin' on you (Repeat Chorus) (Repeat Intro x 2) I just feel this way
When you're around
Hoping that you feel the same
Feels so good to be the one whose holding you
Oh you're my sunshine (Repeat Intro x4) (Repeat Chorus)
