

Shake Shake Shake

The Sounds

Youâ€™re travelling along an empty highway.
How long will it last?
Whatever happened to fire baby?
Youâ€™re burning out too fast?
Thereâ€™s something in your voice thatâ€™s telling me
You donâ€™t care, anyway
Thereâ€™s something in your eyes thatâ€™s telling me
How you long, to belong.
Youâ€™ve got to change your way
Youâ€™ve been down this road before
You better change your way and get out,
Out on the floor!

You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!

Try to walk a mile in my shoes baby
And ou will know
If you have what it takes to make it
In the 21st Century show
Youâ€™ve got to change your way
Youâ€™ve been down, this road before
You better change your way, and get out,
Out on the floor!

You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!

Shake! Shake! Shake! Shake!
With somebody like me! Yeah!

You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!
You got to Shake Shake Shake!
Shake! Shake! Shake! Shake!
With somebody like me! Yeah!

Yeah!

Somebody!
Somebody!
Somebody!
Somebody! Like me! Yeah!

Somebody! Like me! Yeah!

Hey! Hey!

Shake! Shake! Shake! Shake!
