

# End of Days

## Hillsong Young & Free

You came to earth that You created  
You walked beneath the stars You named  
You came from heaven holding freedom  
Jesus Christ the Lord our God

I'm gonna sing until my voice won't let me  
As thunders roar I'll shout Your praise

You're the God of everlasting wonder  
Your love outlasts the end of days

You authored life and wrote Yourself in  
You dwelt in time that You designed  
Creator lived in His creation  
Completely man, completely God

I'll lift Your Name higher and higher  
I'll sing Your praise louder and louder  
Your love goes deeper and deeper  
You reign forever and ever
