

# Make my heart (Avicii's Replacer mix)

Toni Braxton

You pull me close  
I get this kind of reaction, yeah  
Everywhere  
Can you feel my pulse?  
My heart is beating faster, yeah  
From this love affair And it would be only you talking in my ear  
Your lips are so beautiful; oh, I want them near  
Your eyes they undress me  
They make me confess it  
The things you make me do  
Guess now I'm outta control And you make my heart  
You make me dance  
Sweat out my hair oh, oh, oh, oh  
Go flying out, flippin' in the air, oh, oh, oh, oh  
You make my heart  
Get pumped enough  
Coming outta my clothes  
You know you do it for me, yes, you do, oh, oh [Chorus]  
Make my heart  
Da da dum dum dum  
Da da dum dum dum  
Make my heart  
Da da dum dum dum  
Da da dum dum dum Adrenaline rush  
You whisper, I get sucked in, oh, yeah  
My heart bangs like drums  
The sound of pure seduction, yeah  
Oh, take me there And it would be only you talking in my ear  
Your lips are so beautiful; oh, I want them near  
Your eyes they undress me  
They make me confess it  
The things you make me do  
Guess now I'm outta control And you make my heart  
You make me dance  
Sweat out my hair, oh, oh, oh, oh  
Go flying out, flippin' in the air, oh, oh, oh, oh  
You make my heart  
Get pumped enough  
Coming outta my clothes

You know you do it for me, yes, you do, oh, oh[Chorus: x2]Ooo, you made this woman have a break-a-down in  
my heart

Ooo, you made this woman have a break-a-down in my
