Lethal Enforcer

We Are Scientists

You?re never gonna understand what you?re seeing
Though later you?ll pretend you can and you?ll mean it
You might think it?s all in your head but you?re not certain anymore
You might think it?s all in your head but you?re not certain anymore
I wouldn?t put much talk in that ?cause the fact is
It doesn?t matter what you ask, it?s who you?re asking
Well, I?d say go throw it away if it?s not working anymore
Well, I?d say go throw it away if it?s not working anymore
I promise this is not a test
It's just I want you to be sure
It all comes back to common sense
I guess that?s what you?re looking for
I?ll have to ask you to speak up so we?re sure that
We?re all perfectly clear on what we?re ignoring
Well, I?d say go throw it away if it?s not working anymore
Well, I?d say go throw it away if it?s not working anymore
I promise this is not a test
It?s just I want you to be sure
It all comes back to common sense
I guess that?s what you?re looking for

I promise this is not a test
It?s just I want you to be sure
It all comes back to common sense
I guess that?s what you?re looking for
Well, you?ve been taken and it?s gonna hurt
But love?s a classic ?cause it always works
This is a classic bluff because it always works on you
I promise this is not a test, a test
I promise this is not a test
I promise this is not a test
It?s just I want you to be sure
It all comes back to common sense
Oh, I guess that?s what you?re looking for
I promise this is not a test
It?s just I want you to be sure
It all comes back to common sense
I guess that?s what you?re looking for
