Forced to Fear

Napalm Death

Scars dig deep they bleeds seeds
Within wounds I feed
The pools of life drain fast
To quench my angerSelfish-isolating-persecution
Conquered nothing
Reckless-stupidity-heredetiry
Achievement stuntedForced to fear
Thoughts cut hard, they burn numb
Perhaps all is done?
Has a piece of me been carvedTo feed my hunger?
Selfish-isolating-persecution
Conquered nothing
Reckless-stupidity-heredetiryAchievement stunted
Got to crack the mold before it sets
Escapist passion seems to be
The only way I really feelThe socual lair that we infest
Is pushing me towards the edge
Forced to fear the force of fear
For the first time in my life!Reached inside my heart
Took what's pure and turned it sour
Coarse lines map my fear
The roots are soulless draining tearsForced to fear the force of fear
For the first time in my life!
The coarse is clear in what I fear
An epitaph of apathy!Scavengers to the carnage
The scars remain but putrify
Coiled in rage
Predators sense the weaknessSwarm like flies to pick my bones
Coiled in rage
Forced to fear
