Hurricane

Caliban

No matter how many times that you told me you wanted to leave
No matter how many breaths that you took you still couldn't breathe
No matter how many nights that you'd lie wide awake
to the sound of the poison rainWhere did you go?
Where did you go?
Where did you go...?(Heartbeat, a heartbeat
I need a heartbeat, a hearbeat)Tell me would you kill to save a life?
Tell me would you kill to prove you're right?
Crash, crash, burn, let it all burn
This hurricane's chasing us all underground
No matter how many deaths that I die, I will never forget
No matter how many lives that I live, I will never regret
There is a fire inside of this heart
and a riot about to explode into flamesWhere is your God?
Where is your God?
Where is your God...?(ooohoooh, ooohoooh)
Do you really want?
Do you really want me?
Do you really want me dead, or alive to torture for my sinsDo you really want?
(Heartbeat, a heartbeat)
Do you really want me?
(I need a heartbeat, a heartbeat)
Do you really want me dead, or alive to live a lie?
(You know I gotta leave I can't stay
You know I got to go, I can't stay...)
Tell me would you kill to save a life?
Tell me would you kill to prove you're right?
Crash crash, burn, let it all burn,
This hurricane's chasing us all undergroundYou say you're wrong, you're wrong, I'm right
I'm right, you're wrong, we fight
Okay I'm running from the light
Running from the day to nightOh, the quiet silences defines our misery
The riot inside keeps trying to visit me
No matter how we try, it's too much history
Too many bad notes playing in our symphonySo let it breathe, let it fly, let it go
Let it fall, let it crash, burn slow
And then you call upon God
Oh then you call upon GodTell me would you kill to save a life?
Tell me would you kill to prove you're right?

Crash crash, burn, let it all burn,
This hurricane's chasing us all underground(oohoohooh)
(this hurricane)
(oohoohooh)
(this hurricane)
(oohoohooh)
(this hurricane)
(oohoohoooh)Do you really want?
(oohoohooh)
Do you really want me?
(oohoohooh)
Do you really want me dead, or alive to torture for my sins?
(oohoohooh)Do you really want?
(oohoohooh)
Do you really want me?
(oohoohooh)
Do you really want me dead, or alive to live a lie?
(oohoohooh)Running away from the night
Running away from light
Running away to save your life
