

Rowdy

Gretchen Wilson

They say lightning won't strike in the same place twice
But let me get behind this guitar
You better run for cover cuz I'm bringin the thunder
From underneath the radar Whatever everybody's doin' it don't feel right
Let me show you how we used to do a saturday night! I'm ready
To get rowdy
It finally found me
It's been a long time comin'
Pour 'em steady
Strong and heavy
Yeah, resurrect me
We'll get the rockin up and runnin
Let me say it proud and loudly
I'm ready to get rowdy
The whiskey's still brown and Hank's still around
No, it ain't watered down in my world
This train's jumped track, you need some smoke in your stack
Well hey I'm your bring it back girl I'm a whole lotta crazy, a little bit naughty
This redneck woman's always here for the party I'm ready
To get rowdy
It finally found me
It's been a long time comin'
Pour 'em steady
Strong and heavy
Yeah, resurrect me
We'll get the rockin up and runnin
Let me say it proud and loudly
I'm ready to get rowdy
Whatever everybody's doin' it don't feel right
Let me show you how we used to do a saturday night, yeah yeah! I'm ready
To get rowdy
It finally found me
It's been a long time comin'
Pour 'em steady
Strong and heavy
Yeah, resurrect me
We'll get the rockin up and runnin'
Let me say it proud and loudly
Set me up and let me drown me

I'm ready to get rowdy
Ready to get rowdy
Ready to get rowdy, yeah!
Ready to get rowdy
