Subway Train

Johnny Thunders

I can't ever
Understand
Why my life's, been
Cursed poison
Condemned
When I been tryin' every night
To hold ya near me
But I'm tellin' you
It ain't easyEver since I been
Ridin', right on the
Subway Train
You can hear the whistle blowin'
Wa might think I'm goin' insaneAnd now your friends
They're fillin' up my car
But your so busy readin' Suzy says
Ya can't look now
You didn't see your lovers
There all just in rags
Ya know ya hid as pushin' up posies
Tryin' get ya fedWe was all
Ridin', right on the
Subway Train
And you can hear the captain shoutin'
He thinks I've gone insaneCus I keep
Ridin', keep on
Ridin', cus I keep on
Ridin' ridin' ridin', keep on
Ridin', yeahYou stop and you stare,
As I'm leavin' my favorite place
We have no regards
Ya can't find a trace
Ya gotta get on back to daddy
That's all its gonna be
He got the poison black arts of the pimps
But don't ya st- st-I seen em travelin'
Right on the
Subway Train
Ya can hear th captain shou-ow-tin'
He thinks we've all gone insaneCus we keep on

Ridin' ridin' ridin'
Ridin', cus we keep
Ridin' ridin' ridin'
Keep on ridin'I think a see the train
I see ya got open track
I'm hopin'
One of those gonna bring my baby back(Cus I guess I said)
Dinah wontcha blow
Dinah wontcha blow your horn
Dinah wontcha blow
Dinah wontcha blow your horn
Someones in the kitchen with Dinah
I know whoa whoa whoa
I said someones in th kitchen with Dinah
I knowI keep on
Ridin' ridin' ridin'
