Come To Jesus

Point of Grace

This is for the weary and the weak
This is for the desperate and ashamed
This is for the hopeless hiding in the shadows
Cupping hands around a flicker of faith
This is for the ones who don't belong
This is for the silent castaways
This is for the sinner peeking through the stained glass
From a sidewalk in the cold, driving rainWe all fall down
We all need saving once in a while
You are not alone
We all lose faith
And lean on mercy but through our darkest night
He said He'd wait for us
Just come to JesusFor anyone who's given up on God
For those who've tripped and fallen out of grace
For anyone who's looking
To the bottom of a bottle
For the strength to make it through another dayHe did not come to raise the living
Or touch the eyes of those who see
