

Solid Rock

Delirious?

Theres a rock that doesnt move
It hasnt moved, it will never move
Even though the waves come crashing downTheres a tower on a hill
It's always strong, it will never shake
It was standing there before the world beganTheres a wave thats coming in
Washing over this town
It will make or break us, reinvent us
Its time to lay me downOn Christ, the solid rock we will stand
All other ground is sinking sand
On Christ, the solid rock we will stand
Well climb on Your back, take us to higher groundTheres a song that doesnt fade
It never fades it was custom made
To raise the sons and daughters of this earthTheres a sound thats coming in
Rushing over this town
It will make or break us, reinvent us
Its time to lay me downOn Christ, the solid rock we will stand
All other ground is sinking sand
On Christ, the solid rock we will stand
Well climb on Your back, take us to higher groundMy hope is built on nothing less
Than Jesus blood and righteousness
I dare not trust the sweetest frame
But wholly lean on Jesus nameWhen darkness seems to veil his face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veilHis oath, His covenant and blood
Support me in the whelming flood
When all around my soul gives way
He then is all my hope and stayWhen the last trumpets voice shall sound
Oh, then I may in Him be found
Clothed in his righteousness alone
Faultless to stand before His throneOn Christ, the solid rock we will stand
All other ground is sinking sand
On Christ, the solid rock we will stand
Well climb on Your back, take us to higher groundOn Christ, the solid rock we will stand
All other ground is sinking sand
On Christ, the solid rock we will stand
Well climb on Your back, take us to higher ground
