This Is Not Your Love Song

Scars on 45

No more excuses, no more mistakes
No use pretending now this isn't too late
Well I found you through the fire
And I lost you in this lonely, old houseRemember it was you and me
Preparing our broken history
But memories fade away
I'm glad you gave me time to grow
Because I'm just fine living on my ownYou'll never know what I'm thinking
You'll never know what I want
You'll never know how I'm feeling
This is not your love song
You'll never know what I'm thinking
I know that I was wrong
But this is not your love song
This is not your love song (2x)So I tore out the pages from the story of our lives
Tore me down to pieces when I finally realized
You're just an education
A lesson learned without knowing whyRemember it was you and me
Preparing our broken history
But memories fade away
I'm glad you gave me time to grow
Because I'm just fine living on my ownYou'll never know what I'm thinking
You'll never know what I want
You'll never know how I'm feeling
This is not your love song
You'll never know what I'm thinking
I know that I was wrong
But this is not your love songYou'll never know what I'm thinking
You'll never know what I want
You'll never know how I'm feeling
This is not your love song
This is not your love song (5x)
