

# Lean on Me

Bill Withers

Sometimes in our lives  
We all have pain  
We all have sorrowBut if we are wise  
We know that there's  
Always tomorrowLean on me, when you're not strong  
And I'll be your friend  
I'll help you carry onFor it won't be long  
Till I'm gonna need  
Somebody to lean onPlease swallow your pride  
If I have things  
You need to borrowFor no one can fill  
Those of your needs  
That you won't let showYou just call on me brother  
When you need a hand  
We all need somebody to lean onI just might have a problem  
That you'll understand  
We all need somebody to lean onLean on me, when you're not strong  
And I'll be your friend  
I'll help you carry onFor it won't be long  
Till I'm gonna need  
Somebody to lean onYou just call on me brother  
When you need a hand  
We all need somebody to lean onI just might have a problem  
That you'll understand  
We all need somebody to lean onIf there is a load  
You have to bear  
That you can't carryI'm right up the road  
I'll share your load  
If you just call meCall me  
If you need a friend  
(Call me)  
Call me  
(Call me)  
If you need a friend  
(Call me)  
If you ever need a friend  
(Call me)Call me  
(Call me)  
Call me

(Call me)  
Call me  
(Call me)  
Call me  
(Call me)If you need a friend  
(Call me)  
Call me  
(Call me)  
Call me  
(Call me)  
Call me  
(Call me)  
Call me  
(Call me)
