Only U (remix)

Ashanti

AshantiOoh, I can't wait to get next to you
Ohh, I just can't leave you alone
Boy you got me doin' things that I would never do
And I can't stop the way I'm feelin' if I wanted to
I'm crazy 'bout the way that you could make me say your name
And if I couldn't have you, I would probably go insane, 'causeOnly you can me feel
(Only you can make me feel)
And only you can take me there
(Only you can take me there)Only you can me feel
(Only you, only you can make me feel)
