I Buy The Drugs

Electric Six

And I don't mind your rabid doggy
And I don't mind it when it bites
Cos the days and nights and the nights are longer
We're watching days turn into nightsYeah!
I buy the drugs
I light the fire
I am your main supplier
I am your man and I buy the drugsI can be the jump start for the car parked in your mind
Cos' You left the lights on all night long
We can drive for miles and miles and miles
and miles and miles and miles and miles awayHave you ever smelt the clothes her sexy clothes?
Have you ever got to know her
Like I do?
Have you ever reversed roles?
Gave up control?
Stayed home and let your woman
Support you?
Yeah!Yeah!
I buy the drugs
I light the fire
I am your main supplier
I am your man and I buy the drugsI can be the jump start for the car parked in your mind
Cos' You left the lights on all night long
We can drive for miles and miles and miles
and miles and miles and miles and miles awayIf you ever find yourself in need
You can submit your request in writing
And this is what you doSend in a self addressed stamped envelope
To PO Box 900
Los Angeles
California
90212
And I will fill your perscription with some degree of accuracy
And then I'll send it back to you
And then I'll send it back to you
And then I'll send it back to you
Yeah!I - I - I buy the drugs
I - I - I buy the drugs
I - I - I buy the drugs
I - I - I buy the drugs
