[Verse 1]
I have the dying need to fly
Spread these wings and find new heights
She said what would you do if I could bring the sky to you
Special K is good this time of day, take me with you
Take me with you, take me with you

[Chorus]
(Ohhh)
Do you ever like to be alone?
(Ohhh)
Do you ever like to be alone?
(Ohhh)
Do you ever like to be alone?
(Ohhh)

[Verse 2]

[Outro]
(Ohhh)
Do you ever like to be alone?
(Ohhh)
Do you ever like to be alone?
(Ohhh)
Do you ever like to be alone?

Do you ever like to be alone?
