

# On My Own

Alanis Morissette

Why do I feel it's all up to me to see?  
That everything's right and it's how it should be  
Why don't they just leave me alone?  
I've got to prove I can  
Little girl with stars in her eyes, they've got her  
All figured out and there's nowhere to hide  
Why can't they all see who I am  
When will they understand?  
It may take some time they don't know  
How it feels because they can't read my mind  
They always say, I'm too young  
And they feel they should help me  
But I can make it all alone out here on my own  
Every day I feel so in demand  
And all I wish I could find is a place I can land  
One day I'll feel comfort inside  
'Cause I'll know who I am  
I can hold the line if I know in the end  
That I won't be left behind  
I don't regret what I've done  
I don't think you can blame me  
Now I'm standin' all alone out here on my own  
I'm not thinking 'bout leavin' home but I need  
To be on my own, doesn't mean I have a heart of stone  
I won't even ask them why?  
I can't ever let them see me cry  
Here I'm standing all alone out here on my own  
Out here on my own  
Feeling lost in a world full of lies, I can't help  
Thinkin' that love is just passin' me by  
Hold on to what I believe  
And keep an open hand  
Can I have it all if there's no one  
To turn to when I stumble and fall?  
Is there a secret I need  
Because no one has told me, all alone  
It may take some time 'cause I know  
How it feels to have a lot on your mind  
I'll never feel all alone

'Cause I know that I have me  
Now I can make it all alone out here on my own
