

# Ev'ry Time We Say Goodbye

**Darren Lyons**

Ev'ry time we say goodbye I die a little  
Ev'ry time we say goodbye I wonder why a little  
Why the Gods above me who must be in the know  
    Think so little of me they allow you to go  
When you're near there's such an air of spring about it

I can hear a lark somewhere begin' to sing about it  
There's no love finer but how strange the change from  
    Major to minor  
Ev'ry time we say goodbye
