Right Now

August Alsina

August
AugustHook:
Man, I'm flyer than a motherfucker (right now)
Cuff your girl cause I might fuck her (right now)
Cause she's fine as a motherfucker (right now)
Baby, I'm just trying to fuck,
Wanna stick this shit for love!
Man, I'm flyer than a motherfucker (right now)
Cuff your girl cause I might fuck her (right now)
Cause she's fine as a motherfucker (right now)
Baby, I'm just trying to fuck,
Wanna stick this shit for love!I'm on her, she on me
That's your girlfriend,
That's not what she told me!
It's all good, that's your wifey
Cause she can love you,
Then she can come behind me.
I'm feeling good...
She looking good, she know
Once she drop me to the floor,
I'll be, I'll be staring.
Even though she got a man,
All I swear I don't be caring.Hook:
Man, I'm flyer than a motherfucker (right now)
Cuff your girl cause I might fuck her (right now)
Cause she's fine as a motherfucker (right now)
Baby, I'm just trying to fuck,
Wanna stick this shit for love!
Man, I'm flyer than a motherfucker (right now)
Cuff your girl cause I might fuck her (right now)
Cause she's fine as a motherfucker (right now)
Baby, I'm just trying to fuck,
Wanna stick this shit for love!It's two o'clock, then it's flow pack
She checking for me, trying to figure how well I'm at
But she came here with you
Why they do that at?
She got you throwing shade,
She trying to throw it back.
I'm feeling good, and I do

She looking good and she know
Once she drop it to the floor, I'll be, I'll be staring
Even though she got a man,
All I swear I don't be caring!Hook:
Man, I'm flyer than a motherfucker (right now)
Cuff your girl cause I might fuck her (right now)
Cause she's fine as a motherfucker (right now)
Baby, I'm just trying to fuck,
Wanna stick this shit for love!
Man, I'm flyer than a motherfucker (right now)
Cuff your girl cause I might fuck her (right now)
Cause she's fine as a motherfucker (right now)
Baby, I'm just trying to fuck,
Wanna stick this shit for love!I apologize for what I'mma do to you,
Wanna do to you
God bless you, I'll chew you,
Fun do you!
Dip you in the latest whip,
And I'm allergic to heine hoes
They make me sick!
What else?
Flyer than a...
And I've never been distressed
For con, you can pay me a bill of hundred to McDonald fries
Both I'm good, but what's good at?
Big dough style,
Dwag out, no puddle!Hook:
Man, I'm flyer than a motherfucker (right now)
Cuff your girl cause I might fuck her (right now)
Cause she's fine as a motherfucker (right now)
Baby, I'm just trying to fuck,
Wanna stick this shit for love!
Man, I'm flyer than a motherfucker (right now)
Cuff your girl cause I might fuck her (right now)
Cause she's fine as a motherfucker (right now)
Baby, I'm just trying to fuck,
Wanna stick this shit for love!
