

# Come In from the Rain

Advisory - the following lyrics contain explicit language:

Well, hello there, good old friend of mine  
You've been reachin' for yourself for such a long time  
There's so much to say, no need to explain  
Just an open door for you to come in from the rain  
It's a long road when you're on your own  
And a man like you will always choose the long way home  
There's no right or wrong, I'm not here to blame  
I just want to be the one to keep you from the rain, from the rain  
And it looks like sunny skies, now that I know  
you're alright  
Time has left us older an' wiser, I know I am  
And I think of us like an old cliché  
But it doesn't matter 'cause I love you anyway, come in from the rain  
And it looks like sunny skies, now that I  
know you're alright  
Time has left us older an' wiser, I know I am  
And it's good to know my best friend has come home again  
'Cause I think of us like an old cliché  
But it doesn't matter 'cause I love you anyway, come in from the rain  
Come in from the rain, come in from the rain
