

Another Hole In The Head

Nickelback

I'm through thinking of things to say to you
It's true, I've said enough and so have you
Just drive, you slam the door and so do I
Tongue tied from all the little things
And they're the reason that I scream I needed you
Probably as bad as I need another hole in the head
'Cause I needed you
Car keys in your hand I believe that you would leave me for dead Your turn, you'd rather leave than live and
learn
That's why, you want an end and so do I
This time, I believe I'll leave it all behind
Tongue tied from all the little things
And they're the reason that I scream I needed you
Probably as bad as I need another hole in the head
'Cause I needed you
Car keys in your hand I believe that you would leave me for dead 'Cause I needed you
Probably as bad as I need another hole in the head
'Cause I needed you
Car keys in your hand I believe that you would leave me for dead I believe that you would leave me for
I believe you would leave me for dead, me for dead
I believe you would leave me for dead, me for dead I'm through thinking of things to say to you
It's true, I've said enough and so have you
Just drive, you slam the door and so do I
Tongue tied from all the little things
And they're the reason that I scream I needed you
Probably as bad as I need another hole in the head
'Cause I needed you
Car keys in your hand I believe that you would leave me for dead 'Cause I needed you
Probably as bad as I need another hole in the head
'Cause I needed you
Car keys in your hand I believe that you would leave me for dead I believe that you would leave me for dead, me
for dead
I believe that you would leave
I believe that you would leave me for
