

# Life Away from the Garden

## Damien Jurado

There was a time  
When we were golden  
Like the sun  
We were lights in the world  
Then we strayed  
Away from the garden  
Oh, oh

There was a time  
When I believed you  
When in doubt  
I put my hand in your side  
Broken bells  
I don't hear you ringing  
Oh, oh

All of us light, all of us free  
All of us light, all of us free  
All of us light, all of us free  
All of us light, all of us free
