

# Later Tonight (2001 Remaster)

## Pet Shop Boys

You wait 'til later  
'Til later tonight  
You wait 'til later, 'til later  
'Till later tonight That boy never cast a look in your direction  
Never tried to hook for your affection  
Dresses like the mod of your invention, tall and proud  
He is the head boy of the school of thought  
That plays in your intentions, night and day And you wait 'til later  
'Til later tonight  
You wait 'til later, 'til later  
'Til later tonight And you wait 'til later  
'Til later tonight  
You wait 'till later, 'til later  
'Til later tonight  
'Cause tonight always comes
