Love 'Em All

Choclair

Usher, baby, I'm alone in this room
The only thing that's in my mind is you
I can't lie and say that I don't hear you calling my
Thats something for you got plenty to go around
I guess I gotta remind you how I put it downThere's too many women in here and I wanna love 'em all
Love 'em all, love 'em all
And I just can't pick one out of them so I'ma cut 'em all
Cut 'em all, cut 'em allThere's enough for me to go around up
In this club, yeah
There's enough for me to make sure
I pleasure all these girls in this club, yeahI'm gonna make sure it's her gonna
Do you and you and you and you and then I'm gonna do her
Okay, let's get straight and all my ladies get in line, yeah
I'ma take you back to school, just raise your hand, girl
If you wanna me to get to youThere's too many women in here and I wanna love 'em all
Love 'em all, love 'em all
And I just can't pick one out of them so I'ma cut 'em all
Cut 'em all, cut 'em all'Cause they wanna love me
They wanna love me, they wanna love me
They wanna love me, they wanna love me
They wanna love me, they wanna love me
They wanna love meThese girls are gonna hate me
If I give too much attention too one girl, yeah
So I might just have to double up, no triple up
To make it through these girls, yeahYou kiss me here, touch me there
You, you move over, bring her here
All I want is to get up on this flame
I gotta seven forty seven kind of love, girl
And I can take you all over the worldThere's too many women in here and I wanna love 'em all
Love 'em all, love 'em all
And I just can't pick one out of them so I'ma cut 'em all
Cut 'em all, cut 'em all'Cause they wanna love me
They wanna love me, they wanna love me
They wanna love me, they wanna love me
They wanna love me, they wanna love me
They wanna love me, they wanna love meListen, now usually I'm the one kinda girl kinda guy
Now I'ma free to get at every girl kind of guy
And now if you down for that, say put me down for that
I don't think you really hear me, baby, lemme break it down'Cause lately I've been a, ohh, up in love kinda guy

But now I'm singer that beat up kind of guy
And if you down for that, say put me down for that
Raise your hands in the air, if you want Usher, yeahThere's too many women in here and I wanna love 'em all
Love 'em all, love 'em all
And I just can't pick one out of them so I'ma cut 'em all
Cut 'em all, cut 'em all'Cause they wanna love me
They wanna love me, they wanna love me
They wanna love me, they wanna love me
They wanna love me, they wanna love me
They wanna love me, they wanna love meYeah, yeah
Wanna love me
They wanna love me, they wanna love me
They wanna love me, they wanna love me
