Waiting For The Sun

Holly McGarry

I don't need to be forgiven
I don't want your sympathy
It's a mad, mad world
But it's still turning
Don't want to get too complicated
I get so dark that I can't sing
Yeah, it's a mad, mad world
But I'm hoping
I'm waiting for the sun to shine
I'll wait until the day I die
I'm tired of living in the shadows
But I'm not giving up on me
It's a sad, sad world
But I'm still waiting
I can't worry about tomorrow
And what each new day's gonna bring
'Cause every dark cloud
Has a silver lining
I'm waiting for the sun to shine
I'll wait until the day I die

I'm waiting for the sun to shine
(It's a mad, mad world, oh, I'm gonna live my life)
I'll wait until the day I die
Ah ah ah ahh
Ah ah ah ahh
Ah ah ahh
Ah ah ah ahh
Ah ah ah ahh
Ah ah ahh
I'm waiting for the sun shine
(It's a mad, mad world, oh, I'm gonna live my life)
I'll wait until the day I die
(Oh)
(Oh)
I'm waiting for the sun to shine
(It's a mad, mad world, oh)
I'll wait until the day I die
(Die, I)
