

# Walking Away

## The Egg

I'm slain  
Feeling strange  
Get on  
And get it wrongI feel  
On the windowsill  
Look through  
As time stands stillI walk alone  
Fall down to me  
You stand and watch  
Falling down  
And I'm always walking, always walking away  
AwayUnreal  
Street seal  
Sideways  
To what you meanFeel right  
And so do you  
We walk along  
Then we get it wrongI walk alone  
Fall down to me  
You stand and watch  
Falling down  
And I'm always walking, always walking away  
Away
