

Wait (Re-Recorded / Remastered)

White Lion

Wait, just a moment before our love will die
'Cause I must know the reason why we say goodbye
Wait just a moment and tell me why
'Cause I can show you lovin' that you won't deny Wait and show your lovin' like it was before
'Cause I won't let that feeli' walk out through the door
I said wait just a moment and try once more
'Cause babe I need to hold you like I did before So if you go away I know that I will follow
'Cause there's a place inside my heart that tells me
Hold out, hold out, hold out Wait, wait
I never had a chance to love you
Wait, wait
If only our love could show you
Wait, wait
I never want to be without you
Wait, wait
No I never had a chance to love you
Now I only want to say I love you one more time
