

# Whats My Name (feat. Remy Ma)

## Papoose

She says she love my nature  
She don't love me, she love my gangsta  
She don't love me, she love my paper  
Caught me creepin with the next door neighbor  
It wasn't me (If it was, it was)  
She'll still love me, cause love is loveHe said he love my body  
He don't love me, he love my punanny  
I'm in love with the things that he buy me  
Caught me with the next nigga in the lobby  
It wasn't me, (If it was, it was)  
He'll still love me, cause love is loveNow what's my name? (Daddy)  
What's my name? (Daddy)And I still love him even when I'm aggy  
He has me wrapped around his finger  
And in my cell phone, he got his own ringer  
Now, sometimes he get heated  
And I know he don't mean it  
But as much as he accused me,  
I should have cheated  
And even if I cheated, he wouldn't believe it  
Cause right after I read it, messages gets deleted  
And I know we even but, I don't never see it  
When I step on the scene, the groupies gotta beat it  
He caught, it's cool, but we break up  
New bag, new shoes, and we make up  
He buy me diamonds, that's my darling  
Guess I really believe that he sorry  
As far as I can see, he called for me  
How could I not accept his apologyShe says she love my nature  
She don't love me, she love my gangsta  
She don't love me, she love my paper  
Caught me creepin with the next door neighbor  
It wasn't me (If it was, it was)  
She'll still love me, cause love is loveHe said he love my body  
He don't love me, he love my punanny  
I'm in love with the things that he buy me  
Caught me with the next nigga in the lobby  
It wasn't me, (If it was, it was)  
He'll still love me, cause love is loveNow what's my name? (Baby)  
What's my name? (Baby)And once I get it, I'm gone, I'm Swayze

I do the damn thang and I run  
I knew she was a freak, cause she had an earring in her tongue  
Cop a whip, I cop rims, I'm not those dudes  
How you gonna buy a suit and don't cop no shoes  
Put the sugarfoot inside her stomach  
Man I have her climbing up the wall like Spider-Woman  
She gon' ride through the hood on back of the motorcycle  
Sexy, she got more thighs than the Bible  
Can't tell a woman you love her, are you stupid?  
Words don't express your love, you gotta prove it  
A man give you his trust, you can't abuse it  
Annalyze your choice before you choosin'  
Ask Snoop Dogg, I let it bang  
I got the hardest chick in the game screaming my name  
She says she love my nature  
She don't love me, she love my gangsta  
She don't love me, she love my paper  
Caught me creepin with the next door neighbor  
It wasn't me (If it was, it was)  
She'll still love me, cause love is love  
He said he love my body  
He don't love me, he love my punanny  
I'm in love with the things that he buy me  
Caught me with the next nigga in the lobby  
It wasn't me, (If it was, it was)  
He'll still love me, cause love is love
