Whatta Man (with Salt'n'Pepa)

En Vogue

Yeah, yeah (000) Uh, hey hey

All right, yeahWhat a man, what a man, what a man,

What a mighty good man

Gotta say it again now

What a man, what a man, what a man,

What a mighty good man

He's a mighty mighty good man

What a man, what a man, what a man,

What a mighty good man

Yes he is

What a man, what a man, what a man,

What a mighty good manI want to take a minute or two, and give much respect due

To the man that's made a difference in my world

And although most men are ho's, he flows on the down low

'Cause I never heard about him with another girl

But I don't sweat it because it's just pathetic

To let it get me involved in that he said she said crowd

I know that ain't nobody perfect

I give props to those who deserve it

And believe me y'all, he's worth it

So here's to the future 'cause we got through the past

I finally found someone that can make me laugh

You so crazy, I think I want to have your babyWhat a man, what a man, what a man,

What a mighty good man

Yes he is

What a man, what a man, what a man,

What a mighty good man

He's a mighty mighty good man

What a man, what a man, what a man,

What a mighty good man

Gotta say it again now

What a man, what a man, what a man,

What a mighty good manMy man is smooth like Barry, and his voice got bass

A body like Arnold with a Denzel face

He's smart like a doctor with a real good rep

And when he comes home he's relaxed with Pep

He always got a gift for me every time I see him

A lot of snot-nosed ex-flames couldn't be him

He never ran a corny line once to me yet
So I give him stuff that he'll never forget
He keeps me on Cloud Nine just like the Temps
He's not a fake wannabe tryin' to be a pimp
He dresses like a dapper don, but even in jeans

He's a God sent original, the man of my dreamsYes, my man says he loves me, never says he loves me not

Tryin' to rush me good and touch me in the right spot

See other guys that I've had, they tried to play all that mac shit

But every time they tried I said, "That's not it"

But not this man, he's got the right potion

Baby, rub it down and make it smooth like lotion

Yeah, the ritual highway to heaven

From seven to seven he's got me open like Seven Eleven

And yes, it's me that he's always choosin'

With him I'm never losin', and he knows that my name is not Susan

He always has heavy conversation for the mind

Which means a lot to me 'cause good men are hard to findWhat a man, what a man, what a man,

What a mighty good man

He's a mighty mighty good man

What a man, what a man, what a man,

What a mighty good man

Say it again y'all

What a man, what a man, what a man,

What a mighty good man

What a man, what a man, what a man,

What a mighty good man

I said what a mighty good man

He's a mighty mighty good manMy man gives real loving that's why I call him Killer

He's not a wham-bam-thank-you-ma'am, he's a thriller

He takes his time and does everything right

Knocks me out with one shot for the rest of the night

He's a real smooth brother, never in a rush

And he gives me goose pimples with every single touch

Spends quality time with his kids when he can

Secure in his manhood 'cause he's a real man

A lover and a fighter and he'll knock a nucca out

Don't take him for a sucker 'cause that's what he's about

Every time I need him, he always got my back

Never disrespectful 'cause his mama taught him that I got a good man

What a man, what a man, what a man,

What a mighty good man

A mighty mighty good man

What a man, what a man, what a man,

What a mighty good man

Yes he is

What a man, what a man, what a man,
What a mighty good man
What a mighty good man
What a man, what a man, what a man,
What a mighty good man
He's a mighty mighty good man
What a mighty mighty good man
What a mighty good man
