

Slash Gash Terror Crew Anthem!

Blood on the Dance Floor

You've changed things...
Forever
See...you're a freak...
Like me!Bend over
Shake those titties
Pull over
Hello Kitty
Back it up like a U-Haul truck
Sock it to me
Rub my junk
I get on the mic
I say what I like
Danger, danger
On the spot
Ten Four Houston
We have problems
I don't think
We can't solve them
(Slash gash!
Slash gash!
Slash gash!
Slash gash!)
