Alright

I take yeah

Aha

I'll ever tell you what that black dog done to me

Well it stole my regular girlfriend

now he's after my use to be

Hey black dog, black doggie caused me the.

I said black dog, black doggie caused me the.

you know you make me have to leave my

my sweet old happy home

yeah

I'm living at the dog house

Oh black dog, black dog forever in my mind

oh if you only leave me see my baby one more time

so long black dog I'm quitting your heart love line

so long black dog I'm quitting your heart love line

'cause if so blue please send her out of time

Oh black dog

you got me living in the dog house

you cause me the whip and more

you're a black dog yeah

I want my baby back black dog

me no black dog, me no black dog

I hit you, get out of my yard I hate you

get out of my yard black dog
