

Iâ€™ve Been Failing

Nathaniel Rateliff & the Night Sweats

Well I needed you and not just someone
I've been so long failing you dear
I said I'd care for all of this darling
Yet I buried all of it again Ah yeah come on baby
Yeah, it could be good
Ah, honey
Ah, it's just the two
Of us now Now that all seems dark and light has gone away
I've been out there bending in the wind
Now I'm standing here to be beside you
And for all I know and all I care I said don't you weep and don't you worry
Don't you weep and don't you worry I've been failing you
I've been failing you
I've been failing you
I've been failing you I can't stop trying
I can't stop trying
I can't stop trying
Yeah, I can't stop trying
I can't stop trying
Yeah I can't stop trying
Oh, but I can't stop trying
Yeah I can't stop trying
